1. The following is an examiner's statement of reasons for allowance: The addition of the limitation precluding the present of a heat sealing agent in the adhesive layer removes the motivation of heat lamination described in the prior art. As the methods require the heat treatment and the articles are to the heat treated laminate, these claims are allowable over the prior art as there is no motivation to heat treat the article to drive the diffusion/migration of the tackifier between layers.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
